

When it comes to protecting your operations, either inside the operating room or maximizing your bottom line, Premier Guard™ is your solution. With top quality medical covers and drapes, Premier Guard™ products deliver the protection and cost savings your operations need. Don't settle for less. Choose Premier Guard for products that protect.

A Trusted Source for Total Equipment Draping Solutions

Premier Guard™ not only produces drapes but rather solutions for protection from the lab to the operating room. Premier Guard™'s complete line of equipment drapes offers no holes in clinical and financial outcomes to procedures.

Cover your Equipment, not your Budget

Premier Guard™ can offer effective ways to lower your operating room budget on consumables by providing the healthcare facility a sole source for all equipment draping needs.

Premier Guard™ Conforms to the Customer

While understanding the challenges faced in the healthcare professional's world Premier Guard™ confirms to the customer an easy to order, high quality product, while creating saving to the facility's budget.

Premier Guard™ Standard Drape Features

1. Designed to fit your equipment systems
2. Latex free
3. Made from durable materials that eliminate costly repairs and downtime caused by materials or fluids getting into your systems.
4. Easy to use, thus saves you time.
